### Donation & request for quilting

Joan Roming made a donation of fabric, which was lovely and very usable - at least 17 backings and about 30+ 1- 2 yard cuts.

Joan is looking for a quilter to make 3 quilts for her grandchildren. She has all the fabric but is not well enough to do the sewing. She is willing to pay a reasonable price.

She is moving to Penticton around the end of November so would like to find someone before she leaves. She doesn't expect the quilts to be ready before she moves but would like to hand off the project before she leaves.

### **President's Comments - Andrea S**

I am looking forward to our guest speaker on [Monday](#) night.

Marnie Freeman is a 20 year plus guild member. She has spent the last several years making T-shirt quilts (and other memory quilts) for clients under her business name Memory Quilts by Marnie. Don't miss out on [Monday's](#) meeting where Marnie is going to demonstrate her technique from cutting, to design, and even sewing T-shirt fabrics without the use of interfacing. If you wish to see some of Marnie's other work you can visit her photo gallery on her website. <https://www.memoryquiltsbymarnie.ca/gallery/>

There is a concert scheduled the same evening upstairs, so I encourage you to carpool if possible. As well, I will open the doors a little earlier than usual so that you can arrive a little sooner if you need to.
